# Pickup Models

From Vice City Multiplayer [MIRROR]

## ID References

You can find here a list with weapons and basic models (like cash, health, armour, etc) used in the original game as pickups.

```
Note: Every object model from Vice City will work as pickups too, but some (windows/glasses) will not rotate. (e.g.: window id 577)
```

**Weapon Models**

| ID | Name | Image | | ID | Name | Image | | ID | Name | Image |
